## ❄️ *Friday 24th December – Christmas Eve* ❄️

Arrive at the crown at your leisure at be greeted with a warming glass of mulled wine accompanied with mince pies. Unpack and settle into your room, meander down to the bar for a pre dinner drink and explore the menu for the evening in front of one of our roaring log fires.

Dinner will be served from 6.30pm in Poachers Restaurant. Then chill out in preparation for Christmas Day, for those interested there is a Christmas service at 11.00pm in the village church 3 mins walk from The Crown, back just in time for a night cap before retiring for the evening.

## ❄️ *Saturday 25th December – Christmas Day* ❄️

Start the day with a traditional Shropshire breakfast, with locally sourced quality sausages and bacon with all the trimmings. Then maybe don your winter clothes for a walk through our wonderful village, walking off breakfast, perhaps attending church service at 10.00am and working an appetite up for your sumptuous Christmas Day lunch.. Enjoy a pre lunch drink with locals in The Hopton Bar where you can also spend time perusing the Christmas Lunch Menu. After lunch sit back and do as you please The Queen's speech, a game of cards or just a snooze. In the evening join your fellow guests in the bar Rent Room where a selection of festive light bites will be available.

## ❄️ *Sunday 26th December – Boxing Day* ❄️

Enjoy a lie in and then feast on a traditional breakfast, unfortunately now is the time to pack if you are on our two day package, but for those of you staying why not visit the medieval town of Ludlow 8 miles away and watch the spectacle of the local hunt meet in the castle grounds before making their way through the towns streets into the magnificent Shropshire countryside. Then perhaps watch the annual tug of war in Broad Street. If country pursuits are not your thing a dash to the sales in Worcester only 45 mins away and those brave enough an hour's drive to Birmingham's Bull Ring.

After a hard day, relax in the bar and choose from your boxing night dinner menu and reminisce of your Christmas break at The Crown.

## ❄️ *Monday 27th December* ❄️

Again perhaps enjoy a leisurely lie in before packing your bags and departing for the rest of your Christmas break. But don't forget to book for 2012 before you leave.
